10 th						

*: also show the total marks in brackets); passing **%-age** should be marks scored out of the total possible (in case of OGPA also- convert it to % using the university formula)

Additional Qualifications, if any

Achievements in extracurricular activities (Significant):

Presently pursuing the Degree &
Major (e.g. M.Sc or B.Tech.
Biochemistry/Biotechnology/
Life science/Zoology/Chemistry etc.)

Year/month of joining the College/institute

Expected Year/month of degree completion

Name of the College & Place

Name of the university (college
affiliation)

Important points to note:

- **Applications for SummerProgram 2012 MUST be submitted as a hard copy.**
- The application incomplete in any respect will be rejected/not considered.
- Requests/applications for the program sent prior to this notification will not be considered. Any such candidate **must** apply again using the prescribed application form.
- **Attach Xerox copies (not originals) of marks/grades obtained in 10th standard, B.Sc. and M.Sc. (first year) or B. Tech. (first three years)**
- In case the marks sheet/grades for the 2nd semester (first year) of M.Sc. or 6th semester (last semester of prefinal year) in case of B. Tech. students are not available, the candidate MUST submit a certificate from the college/institute that he/she has appeared for the exams and the results are awaited.
- **Do not attach original degree certificates.**
- Recommendation from the Head of the Department or faculty on the prescribed Performa is MUST.
- **Statement of purpose, recommendation and the marks are taken into consideration while selecting the candidates, in addition to the other criteria of the Centre.**
- The decision of the Centre in regard to the selection of candidates shall be final.
- Canvassing in any form and /or bringing in any influence, political or otherwise, will be treated as a disqualification.
- **All candidates selected for the program would need to spend a minimum period of 60 days in CCMB without any break. This is one of the most important requirement and accordingly, all candidates need to furnish a certificate from the Head of the Department/Competent authority of the college/institute certifying the following:**
 - ✓ *that the candidate (candidate's name, the course the candidate is attending) if selected for the Summer program of CCMB will be allowed to work/stay in CCMB atleast for SIXTY-days without any break, irrespective of the start of their next semester and/or exams etc. (Accordingly, the letter should include the tentative dates during which the candidate would be available for summer training in CCMB);*
 - ✓ *that any data generated as part of the summer training/ project work would be solely the copyright of CCMB/CCMB guide.*

Check List of the completed application form:

- | | |
|---|--------|

--	------------------------------------

2. STATEMENT OF PURPOSE In the box provided please state your purpose in applying to the 2012 Summer Training Program. Also include the specific area in which you plan to pursue doctoral study and your future professional career goals. You may want to include any additional information that might aid the selection committee in evaluating your preparation, potential, and aptitude for doing scientific research. Refrain from trivial statements viz. “Biology is exciting...”, “CCMB is the premier institute...” etc. (maximum words 400)

Signature of the Applicant

3. Reference letter

(Information: Recommender may please seal the letter in an envelope and hand it to the candidate to be enclosed along with the application form)

Name of the recommender: _____

Designation _____

Name of the candidate: _____

Please provide a statement addressing the quality of the applicant's academic and research performance (In the box). CCMB is particularly interested in the quality of his/her commitment to a career in scientific research and potential for future success in research.

Please rate applicant in comparison with students in the same field and with similar experience (Use the scale given below)

	Rating
Overall academic performance	
Intellectual potential for a career in research	
Independence and initiative	
Ability to analyze a problem and formulate a solution	
Ability to work with others	
Motivation for graduate study	
Self-confidence and maturity	
Communication skills: oral	
Communication skills: written	

Exceptional Top 5% **Outstanding** Top 10% **Good** Top 20% **Average** Middle 25%
Below Average Lowest 40% or **Inadequate Opportunity to Observe**

Signature of the Recommender
(with date and seal)

4. Certificate from the Head of the Department/Competent authority of the college/institute Certifying:

- ✓ *that the candidate (candidate's name, the course the candidate is attending) if selected for the Summer program of CCMB would be allowed to work/stay in CCMB atleast for SIXTY-days without any break, irrespective of the start of their next semester and/or exams etc. (Accordingly, the letter should include the tentative dates during which the candidate would be available for summer training in CCMB);*

- ✓ *that any data generated as part of the summer training/ project work would be solely the copyright of CCMB/CCMB guide.*

Above letter should be addressed to:

**The Director
Centre for Cellular & Molecular Biology
Uppal Road
Tarnaka
Hyderabad 500 007
India**
