Submission of Abstracts

Abstracts (250 – 300 words) related to Wildlife Forensics are invited through online submission only after registering for the e-conference. Submissions by email, fax or post will not be considered.

All abstracts sent on or before 28 October 2020 will be peer-reviewed by the scientific committee. Authors will receive notification of acceptance for a short oral presentation (10 minutes) by 30 October 2020. Total 15 short talks are proposed on 04 November 2020.

Registration for the e-Conference is FREE

Who should attend

The e-Conference intends to bring together wildlife biologists, veterinarians, managers, young scientists and students to deliberate on recent developments in Wildlife Forensics

Important Dates

Abstract submission last date: 30 October 2020

Acceptance of Abstract: 02 November 2020

Registration last date: 01 November 2020
