
Laboratory for conservation of endangered species (LaCONES-CCMB)

Invites applications for

WORKSHOP ON MOLECULAR PHYLOGENETICS

October 3 - October 7, 2022

*This is an in-person workshop

Application requirement

- * CV
 - * Half page write-up on why you would like to take the course
-

Topics

- * Distance, Parsimony, Likelihood and Bayesian approaches to tree building
 - * Historical biogeography
 - * Phylogeography
 - * Species delimitation
 - * Character evolution
 - * Species tree estimation
 - * Molecular clock and divergence dating
 - * Molecular markers
 - * Hypothesis testing in a phylogenetic framework
 - * Hands-on sessions
-

Course conveners

Dr. Jahnvi Joshi

Senior Scientist
LaCONES-CCMB, Hyderabad

Dr. Praveen Karanth

Professor
CES, IISc, Bengaluru

Dr. Aniruddha Datta Roy

Reader-F
NISER, Bhubaneswar

Seat limit:
20 participants

Send applications to
molphyworkshop@gmail.com

**APPLICATION
DEADLINE
AUGUST 31,
2022**
