

Workshop on Environmental DNA (eDNA) and its Applications

28th November - 2nd December, 2023

Details of the workshop

- **No. of seats:** 20
- **Duration:** 5 days
- **Eligibility:** B.Tech., M.Sc., Ph.D. Scholars, Postdocs, Assistant Professors, Young Scientists
- **Course Fee:** ₹ 25,000/-
- **Mode of selection:** Application form & Statement of Purpose

Training highlights

- eDNA basics and study design
- Field sampling techniques
- eDNA isolation and laboratory techniques
- Species detection using qPCR
- eDNA metabarcoding and bioinformatics

Organizer

Dr. G Umapathy
Senior Principal Scientist
and Group Leader
CSIR-CCMB, Hyderabad

Coordinator

Dr. Archana Bharadwaj Siva
Senior Principal Scientist
Skill Development Program
CSIR-CCMB, Hyderabad
